A cartoon rabbit character with orange fur, large ears, and a wide smile. It is holding a black wand in its right hand, from which three purple stars are emerging. The rabbit is standing on its hind legs. The text 'MAGiC' is in a bold, rounded font with a mix of blue and purple colors, and 'SCHOOL' is in a solid blue, rounded font. There are also three purple stars to the left of the word 'SCHOOL'. The background is white with a large purple shape in the top left corner and a purple shape in the bottom right corner.

Male Skeletal System

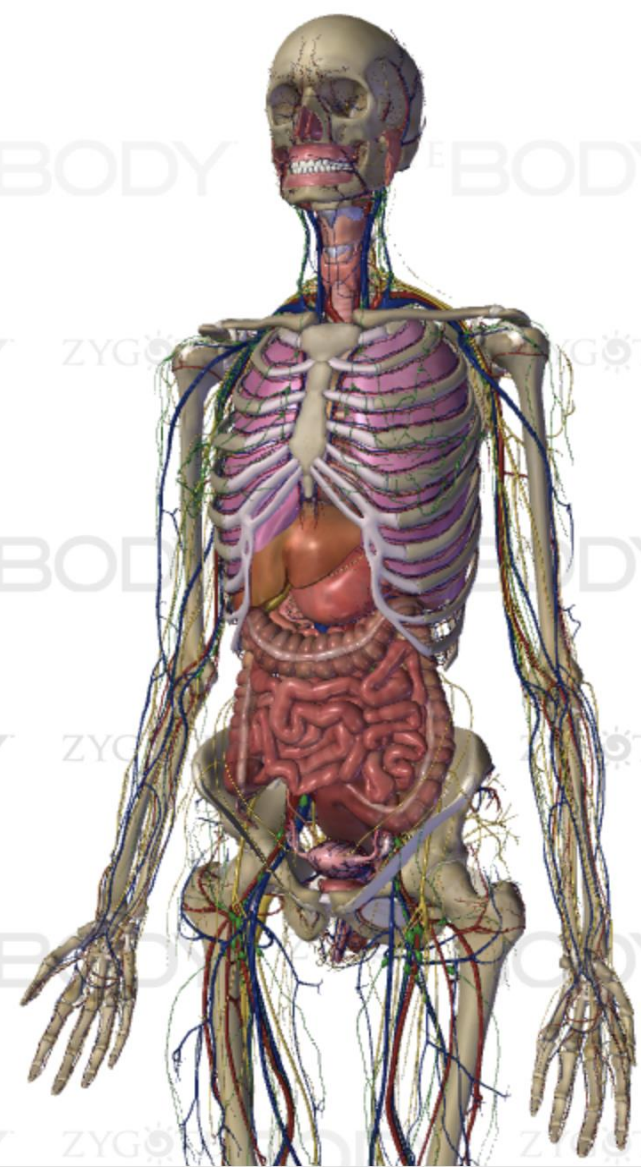

The skeletal system contains the bones that give structure to the human body. Bones protect and support vital organs and work with muscles to help the body move.

To gain strength and stability, bones and teeth must absorb nutrients, such as calcium and phosphorus, in a process called mineralization. Mineralization occurs throughout life, but is most active during childhood and adolescence.
